

Math is Fun! Math is Fun! Math is Fun! Math is Fun! Math is Fun! Math is Fun!

### Math for Medications

$$\frac{100\text{mg}}{5\text{ml}} = \frac{X \text{ mg ?}}{15\text{ml}}$$

Are you currently enrolled in a Medical Occupations Program or planning to enroll in one soon? Do you need to brush up on your math skills? If so, then this is the class for you! Topics covered in the class will apply math to solving medication problems.
